My name is Kate

My name is Kate, I am 25 years old and I am from the USA, more specifically from the state of New Hampshire which is in the Northeast of the country. I graduated in 2010 from Franciscan University (in the state of Ohio) where I studied Law and Spanish. During my studies I was lucky enough to live and study in both Europe and Latin America. I come to Spain after having spent the last 3 years in Buenos Aires, Argentina working in education. I love traveling to new places, learning about new cultures, and meeting people of all different backgrounds. I am very excited to be in Spain and spend the year with everyone at I.E.S Jimena Menéndez Pidal!
